MEMORANDUM FOR: Director of Training

FROM : [REDACTED]

25X1

SUBJECT : Letter of Commendation to [REDACTED]

25X1

1. Shortly before the opening of the Summer Area Program, we received word from [REDACTED] and [REDACTED] that they would not be able to report on time, and indeed would be absent through July. As a result, [REDACTED] was faced with the problem of presenting the Russian program with [REDACTED] alone. He therefore approached [REDACTED] asking him to share some of the burden by giving lectures at R & S on the Soviet Government. [REDACTED] acceded to this request and with little warning has added this work to his regular obligations.

2. Because it has been necessary for [REDACTED] to put in much study during his spare time in preparation for these two-hour lectures, it would seem appropriate to thank him for his generous attitude and action in the emergency. I have discussed this question with [REDACTED] who has been able to observe [REDACTED] during this period and who concurs strongly with the suggestion.
